Attention Tohono O'odham TERO Clients

Available Positions

10- Masons \$17.13

Masons are responsible for installing work according to plans, record daily units laid on jobsite, prioritize plumbness, levelness, and clean workmanship, ensure availability of correct tools and equipment necessary, verify dimensions and details to complete block laying. Provide guidance and training to Mason Tenders to improve their skills and efficiency

10- Mason Tender/Laborers \$16.20

A mason tender is an onsite assistant to the stonemason. Responsibilities are to maintain tools, transport materials, and keep the job site clean. Also assists the mason by maintaining, repairing, and constructing surfaces and structures made of bricks and stones, helping lay tile, preparing and applying grout, and following plans and blueprints. Responsible for preparing grout/mortar and mixing concrete. Needs to have good physical fitness, ability to follow directions, and strong tool skills.

10- Cement Finishers \$17.13

Responsible for spreading and leveling freshly poured concrete using rakes, shovels, and screeds, aligning and securing concrete forms to achieve the desired depth and pitch, using hand trowels, power trowels, floats and other tools to smooth out the concrete surface, cutting expansion joints in the concrete using specialized saws, inspecting the concrete for imperfections and ensuring it meets project specifications, adjusting work based on weather conditions that could affect concrete curing.

3- Equipment Operators

Forklift \$16.20

Backhoe \$16.32

Water Truck Driver \$16.20

Must have at least two years' experience. Responsible for maneuvering and controlling equipment, including loading and dumping materials. Inspecting equipment before operating.
