Tohono O'odham Nation Health Care - Emergency Room Triage Now in the Sells Hospital Main Lobby

Starting Monday morning, February 10th, 2025 at 8:00 a.m. the Emergency Room triage will be in the main lobby of Sells Hospital.

People who come to Sells Hospital for Emergency Room services will come to the main entrance of the hospital and go directly to Emergency Check-In, which is now located in the main lobby.

During this transition TONHC staff will be available to direct patients to the triage area. Signage will also be posted to help direct people to the triage area. There is a lighted sign for directions at night.

This change has been made to improve the comfort, privacy and safety of patients presenting to the Sells Hospital Emergency Room and will be closely monitored to ensure that it does not delay care or result in any difficulty in accessing the Emergency Room.

If you or someone you know is having a medical emergency, please call 911 or go directly to the Emergency Room. No matter what entrance you present to, you will not be turned away. For patient drop off, you may continue to use the ambulance entrance ramp.

We appreciate your patience with this change.
